

# ASX ANNOUNCEMENT

10 May 2022

## Loyalty Options – Entitlement Offer

As announced on 2 May 2022, Belararox Limited (ASX:BRX) (**Belararox** or the **Company**) is undertaking a non-renounceable entitlement issue of options to eligible shareholders on the basis of one (1) option (**Loyalty Option**) for every two (2) shares held by eligible shareholders at 5pm (WST) on 16 May 2022 (**Record Date**) at an issue price of \$0.01 per Loyalty Option (**Entitlement Offer**). Each Loyalty Option will be exercisable into one (1) fully paid ordinary share, at the exercise price of \$0.95 per Loyalty Option on or before the date that is two years from the date of issue of the Loyalty Options.

Only shareholders who hold shares on the Record Date will be eligible to participate in the Entitlement Offer (**Eligible Shareholders**). The Record Date is this Monday, 16 May 2022. If you are planning on acquiring Belararox shares prior to the Record Date, please allow for the standard T+2 settlement timing (ie. trading day plus two business days). For new shareholders this means that Belararox share acquisitions made after Wednesday, 11 May 2022 will likely not settle prior to the Record Date, and you will not be eligible to participate in the Entitlement Offer.

The purpose of the Entitlement Offer is to recognise the support and loyalty the Company has received from its shareholders to date, many of them having committed their capital at or before the Company's initial public offer.

The anticipated timetable for the Entitlement Offer is below. Full details of the Entitlement Offer are set out in the prospectus lodged by the Company on the ASX on 2 May 2022 and to be despatched to Eligible Shareholders along with their personalised Entitlement and Acceptance Form on Thursday, 19 May 2022.
